Mission

We create great American theater by developing and producing new works and world masterpieces that most richly direct our gaze to the life of the human spirit. We cultivate an audience that cherishes the intimate joy of theater, enriched when shared by a community of others.

Core Values

Artistic Excellence: We nurture and challenge the visions of adventurous theater artists. Our commitment to the artistic process is sustained over time through an investment in people, their creative process, and our dedication to the highest artistic standards.

Education and Community Engagement: We make our theater a welcoming resource for all. We create engagement programs and partnerships that encourage all voices to come together in conversation around the stories we tell. We invest in the next generation of artists and audiences by introducing students and lifelong learners to the possibility and adventure that theater brings to our lives.

Equity, Diversity and Inclusion: We believe that the essence of theater is democratic: it invites us to encounter, consider and perhaps adopt other points of view, if only for a brief time in a darkened theater. We aspire to build an environment in which artists, audiences, employees, and Board members from different backgrounds and experiences together form an institution that is equitable, diverse, and inclusive.

Operational Excellence: We dedicate ourselves to the highest standards in our governance, management, operational, and financial practices. We are committed to developing and retaining an experienced and accomplished staff, an
engaged and informed Board of Trustees, and a working environment that attracts staff, volunteers, and artists of the highest caliber.
